INTERNATIONAL CONFERENCE ON EMERGING TECHNOLOGIES IN DATA MINING AND INFORMATION SECURITY

IEMS-2018
School of Information Technology
Institute of Engineering & Management Group

Conference web link: http://www.iemis.org

Date: 23rd - 25th February, 2018
Venue: University of Engineering & Management, Kolkata, India

School Of Information Technology

School of Information Technology is an institute set up and managed by Institute of Engineering & Management Group of Colleges, founded in 2001. The School of Information Technology (SIT) of Institute of Engineering and Management (IEM) Kolkata is an accredited educational group among the industry-centric academic organizations of today. School of Information Technology (SIT) has set sublime standards in addressing the technical and managerial resource shortage in the new era of dynamic globalization. The School of Information Technology has risen to fame for its strong foundation in teaching and R&D in multifaceted areas. It aims to serve the future generation as well as the Nation through its commitment towards self-sufficiency and unmatched excellence.

Since its inception, the School of Information Technology has surpassed innumerable benchmarks of achievements and submissions. Today IEM-SIT flaunts a colossal network of expansive operations led by an awe-inspiring student force who are the torchbearers of a better tomorrow. The IEM-SIT has opened up the doors for young minds who dare to dream. It encourages the spirit of free enquiry and imagination, in this process of learning, dreams take shape. The educational group attempts to instill the sense of human values and discipline in students to make them respectable human beings. It encourages learners to learn, to realize their potential and imbibe the best practices.

Call for Papers

The primary goal of IEMS 2018 is to provide opportunities for academics and scientists along with professionals, policy makers and practitioners from various fields to a global realm to present their research contributions and views, on one hand and interact with members inside and outside our own particular disciplines. The conference will also provide opportunities for publishing research papers in indexed and recognized scholarly research journals. Full-length papers, research in progress papers, case studies, relating to all areas of Data Mining, Information Security and Information Technology are invited for the conference.

THEME: DATA MINING, MACHINE LEARNING, IOT AND INFORMATION SECURITY

The different topic of interest for the conference are:
- Data Mining and Data Analytics
- Big Data
- Biometric Technologies, Scientific Computing
- Fuzzy Computing
- Remote Sensing & GIS Application
- Computational methods in Nanoscience
- Dependable, Reliable and Autonomous Computing
- Distributed, Parallel Systems & Algorithms
- Cryptography and Internet Security
- Network and Internet Computing
- Natural Language Processing
- DSS/DSM/Data-processing/Pattern Recognition/Multimedia
- Embedded System and Software
- Game Theory

Important Dates:
Submission Deadline: 25th November, 2017
Acceptance Notification: 28th December, 2017
Early bird registration: On and before 31st December, 2017
Last date of registration: 15th January, 2018
Camera Ready Paper Submission: 26th January, 2018

Paper Submission Guidelines:
Paper length should be 10 pages in the Springer ASCII format. Extra pages will incur extra cost. All submissions are required to follow the Springer paper format and are subject to reviewing by the reviewers. Double blind peer review process will be followed and each paper will be reviewed by at least two reviewers.

Formatting Guidelines: https://www.springer.com/gp/authors-editors/conference-proceedings/conference-proceedings-guidelines

IEMS2018 is abstracted/indexed in SCOPUS, DBLP, Google Scholar, El-Compendex, Mathematical Reviews, SCImago.

Key Note Speakers:
- Dr. Fredric M. Ham, IEEE Life Fellow, SPIE Fellow, and INNS Fellow
- Dr. Sheng-Lung Peng, National Dong Hwa University, Hualien, Taiwan
- Dr. Detlef Stiefelhagen, Technische Universität Ilmenau, Germany
- Dr. Shaikh Fatah, Editor, IEEE Access & CSPRinger, Bangladesh
- Dr. Swagatam Das, Indian Statistical Institute, Kolkata, India
- Dr. Niloy Ganguly, IIT Kanpur, India
- Dr. Dey, Techno India College of Technology, Kolkata, India
- Dr. K. K. Shukla, IIT(BHU), Varanasi, India
